

NEW DELCO STYLE 40MT & 42MT DIESEL STARTER MOTORS

(For Cummins 903 V8 Marine Diesels and CAT 3208 & 3116 Engines)

12, 24 & 32 Volts

All API Marine new multi-position 40MT & 42MT starters for CAT & Cummins are pre-adjusted at the factory to mount correctly on the majority of applications. If a clearance problem is encountered, the multi-position drive end housing may simply be loosened and the starter rotated to the proper position. **40MT & 42MT Starters are interchangeable.**

API 40MT Part #:	API 42MT Part #:	Replaces Delco Remy #:	Volts:	Starter Drive:	Starter Rotation:
15070-40	15070-42	1114103	12	11-Teeth	C.W.
15071-40	15071-42	1114104, 1114960	12	11-Teeth	C.C.W.
15072-40	15072-42	1114160, 1114181	12	12-Teeth	C.W.

15080-40	15080-42	1113964	32	12-Teeth	C.W.
15081-40	15081-42	1113963	32	12-Teeth	C.C.W.

If the starter you require does not appear in the above table, please contact one of our Marine Electrical Specialists at 1-800-327-6086. Be sure to have the original Delco Remy starter number which you intend to replace.

NEW DELCO STYLE 50MT STARTERS FOR DETROIT, CAT, CUMMINS & OTHERS

FOR

- * DETROIT DIESEL (GM)
- * CATERPILLAR
- * CUMMINS
- * AND MANY OTHERS

All API Marine new multi-position 50MT starters listed on this page come with a standard SAE 3 drive end housing. The multi-position drive end may easily be rotated so that one starter will replace many part numbers. In the event the starter to be replaced has a special drive end housing (as in some Cummins applications), the housing may be removed and placed on the new API Marine motor being installed. Also, API Marine 50MT starters may be used to replace 40MT starters when additional cranking power is desired.

API Part #:	Volts:	Starter Drive:	Starter Rotation:
15060	24	11-Teeth	C.W.
15061	24	11-Teeth	C.C.W.
15062	24	12-Teeth	C.W.
15063	24	12-Teeth	C.C.W.
15064	32	11-Teeth	C.W.
15065	32	11-Teeth	C.C.W.
15066	32	12-Teeth	C.W.
15067	32	12-Teeth	C.C.W.

If you are unable to identify the starter you need from the above table, please contact one of our Marine Electrical Specialists at 1-800-327-6086. Be sure to have the original Delco Remy starter number which you intend to replace.
